A Scholarship Scheme
under National Children's Fund (NCF)
for Academic Excellence of Children

Ministry of Women and Child Development
Government of India

UNNATI

Scholarship Scheme for Children living in Child Care Institutions

1. Introduction and Background

UNNATI is a new initiative of the Ministry of Women and Child Development (MWCD). It is aimed at the promotion of the best interests of the child in accordance with the Juvenile Justice Act, 2015. As per Section 3(iv) of the Act, all decisions regarding the child shall be based on the primary consideration that they are in the best interest of the child and help the **child to develop full potential**.

Article 15 of the Constitutions confers upon the State powers to make special provision for children. Article 39(e) and (f), 45 and 47 further makes the State responsible for ensuring that all needs for the children are met and their basic human rights are protected.

Unnati will be in the form of a scholarship operated through the **National Children's Fund (NCF)**. The primary motive of Unnati would be to imbibe the value of academic excellence for a better future in each child. Any child living in a Child Care Institutions (CCIs) with a promising performance in class 9-12 would qualify to get this incentive, as per details provided at Point 4.

The implementation of Unnati would be through the existing National Children's Fund which was set up by the Department of Women and Child Development, Ministry of Human Resource Development, Government of India, in 1979 under the Charitable Endowment Act 1890. The scheme of Administration of NCF as notified by Gazette of India 1979 (Part-II), Section 3 (iii), Page 213 mentions raising funds from individuals, institutions, corporate and others for the welfare and development programme for children (Annexure-4). As such, Unnati money will be deposited in the individual student's bank account each year, which would be operational on completion of 18 years of age.

The recipient of Unnati will grow in self-confidence and harness her/his academic achievements towards contributing to Nation building.

2. Objectives

The objectives of the scheme will be to:

- 2.1 improve the academic performance of children living in CCIs run as per the Juvenile Justice Act, 2015;
- 2.2 enable children to inculcate a sense of self-dependence and confidence in their innate ability and capacities to take on the challenges, the future would hold before them; and
- 2.3 create an enabling atmosphere by providing equitable opportunities and further the pursuit of excellence in life.

3. Target beneficiary

The country has about 2300 registered CCIs which cater to approximately more than 80,000 children. These children are enrolled at various levels in the Government and Non-Government schools. As per the scheme of NCF, the Fund may spend only the interest income on its investments during the current financial year. Also, 50 percent of the donations received in the preceding financial year will be utilized to provide any assistance to be taken up in furtherance of objectives of the fund (Para 24, Scheme of Administration of NCF). With the limited fund available, NCF proposes to provide scholarship under “Unnati” for children pursuing their studies from class 9 onwards as under:

- 3.1 Children studying in class 9-12, till attaining the age of 18 years or on completion of 12th Class, whichever is earlier.
- 3.2 100 scholarship will be provided each in class 9-12 (total 400 scholarships – merit-wise in a year per class), The number of scholarships may be revised annually subject to the availability of the funds as per the Clause 24 of Schedule “B” of “Scheme for Administration of NCF”.
